| 15.00 – 17.00 | Pilot Studies – Preparation Workshop by FH Joanneum / Graz

Writing and using learning outcomes / competences |

Tuesday, January 26, 2010

9.00 – 11.00
(including breaks)

Usage of the Competence Catalogue Workshop Part 1 by UdG / Girona

We will explain how to use the software to plan a study (matrix: study disseny) and to plan a subject (subject disseny), showing how to define competences, activities and contents, how to link them, how to define which of them are evaluation activities, etc. We will use real examples of a study and a subject from the UdG.

11.00 – 13.00

Usage of the Competence Catalogue Workshop Part 2 by UdG / Girona

Practice defining and formulating competences and check or comment on the competences that they have planned for their pilot study.

Design the subject that they have chosen.

13.00 – 14.30

Lunch

14.30 – 15.30

Discussion, Questions & Answers

15.30 – 17.00

Workshop led by Kahosl / Ghent

(including breaks)

- 1. Development of competences during practical work**
- 2. Assessment of competences in final proof**

Wednesday, January 27, 2010

- | | |
|---------------------------|--|
| 9.00 – 10.00 | Business plan development of Competence centers
By Adi Kovacevic, WUS Austria |
